

PHILADELPHIA PARKS & RECREATION

Philadelphia Parks and Recreation seeks to hire Seasonal Maintenance Attendants to keep parks clean and ready for use this summer. This position works with Riverfront North Partnership for tasks based in Pennypack on the Delaware Park, Tacony Boat Launch, and the K&T Trail (between Lardner's Point Park and the Tacony Boat Launch).

This is a City of Philadelphia position that pays an hourly rate of \$15-\$16.50, 20-32 hours a week, for six months. Some weekends may be required. Riverfront North Partnership will assist qualified candidates in the City application process. Interested candidates should review the information below and email their interest and qualifications to sp@riverfrontnorth.org.

This is routine turf and grounds maintenance work, maintaining and improving park areas, and with some opportunity for more specialized tasks with the Riverfront North stewardship team such as supporting weekend volunteer days, planting trees, and managing invasive species. Employees in this class provide these services on a temporary, seasonal basis, and it involves physical labor in all types of weather.

TYPICAL EXAMPLES OF WORK (ILLUSTRATIVE ONLY)

- Performs turf and grounds maintenance work such as mowing, trimming, seeding and mulching.
- May operate a variety of power equipment and tools such as riding and non-riding mowers, hedge trimmers, leaf blowers, mulchers and non-riding snow blowers or other equipment as assigned.
- Picks up, rakes sweeps or otherwise gathers litter and/or trash in assigned area or route; delivers litter to a central disposal area.
- Uses sickle or scythe and clears areas inaccessible to power equipment; trims and clears areas inaccessible to power equipment; trims and clears around shrubbery, trees, fences and poles; may assist in the collection of trash on an assigned route.
- Shovels silt and debris to clear drainage outlets, culverts and pipes; removes trash from stream beds.
- Picks up cuttings from beneath pruned trees and feeds branches to a shredding machine.
- Cultivates rows in planted areas.
- Disassembles and stacks benches.
- Performs related work as required.

REQUIRED KNOWLEDGES, SKILLS AND ABILITIES

ABILITY TO:

- learn grounds maintenance operations.
- learn the use of hand tools.
- understand and follow oral instructions.
- perform a variety of manual tasks.
- learn to operate automotive grounds maintenance equipment.
