In Progress

(THT) Tacony-Holmesburg Trail

Currently in design. The trail will connect the Tacony Boat Launch to Pennypack on the Delaware adding 1.8 miles to the greenway.
(Princeton Ave. to Pennypack on the Delaware)

Robert A. Borski Jr. Park

A new 10-acre park has been designed with the community. Construction began in 2023 and estimated completion is 2025.
(Orthodox St. at Delaware Ave.)

Delaware Avenue Extension*

A 1.3-mile section that connects Bridesburg Riverfront Park to the K&T Trail. Construction expected to begin in 2025.
(Orthodox St. to the Frankford Boat Launch)
*Project being managed by PennDOT

Boat Launch Redesigns

Both the Tacony Boat Launch and the Frankford Boat Launch are in the process of being redesigned with the help of community input.

Partnership

Riverfront North Partnership is the nonprofit organization working with the City of Philadelphia to create, activate, and steward an 11-mile greenway. The network of parks and trails on the Delaware River in Northeast Philadelphia is the community's shared riverfront and recreational destination. We connect Philadelphians to their river through outdoor nature activities, environmental volunteerism, and community advocacy for our shared public spaces.
